Posted on June 15, 2021

Around the World with Nellsar Cruises – the great armchair travel adventure of 2021 – took residents to France for the day on Wednesday 9 June. Our Recreation and Well-Being teams organised French themed fun and entertainment, while our Chefs prepared delicious culinary delights.

The French are famed for their rich cuisine and love of cheese – take a look at some of the tasty dishes that our residents enjoyed last week.

Bromley Park Care Home residents enjoyed yummy pastry treats with cheese and wine on 'French Day' last week, followed by homemade profiteroles. Bedecked in red, white and blue, the Home really set the scene!
