Posted on November 25, 2020

The staff team at St Winifreds Care Home in Deal are thrilled to welcome new Chef Andrew Maclean to the team. Particularly as he's 'making his mark' in the kitchen and delighting staff and residents with his food already!

Andrew said, *"The residents loved the éclairs and they flew off of the dessert trolley in seconds!"*

Take a look at some of his recent dishes and treats:

Homemade chocolate and cream eclairs

A party buffet for a staff member's leaving do

Liver and crispy bacon with mash potatoes

Puréed bangers and mash for our residents on a soft food diet
