

PEACH CRUMBLES AND HOMEMADE BISCUITS AT PRINCESS CHRISTIAN CARE HOME

Posted on September 13, 2021

Perfect puréed peach crumbles

Many thanks to our Head of Catering Services, Adrian Silaghi, for spending time with Paul from our Princess Christian Care Home catering team recently, to create these wonderful puréed peach crumbles.

They look so delicious and we can now add them as a soft food option to our menu every Wednesday when we serve crumble as a dessert. *We know they will be a big hit!*

Heavenly homemade biscuits

These **tempting biscuits** feature chocolate, walnuts, coconut or candy and have been made by our Chef in training Catalin. They are delicious!

Well done Catalin, a great effort!
