

# PRINCESS CHRISTIAN CARE HOME CREATES DELICIOUS INCLUSIVE CHRISTMAS MENU

Posted on December 27, 2021

## Festive foods for every dietary taste and requirement

Christmastime is one of the most important times of year for many people and our Head Chef and Kitchen Team at Princess Christian, our Outstanding Care Home in Woking (Surrey), dedicate their time to ensuring all our residents enjoy tasty, inclusive menus throughout the festive period – and all year round.

*"For some of our residents with swallowing difficulties, our Kitchen Team create specially modified textured foods and present them in a careful way that they maintain their flavours, colours and visual appeal. Christmas dinner is no exception with even the national favourite 'pigs in blankets' and Brussels sprouts getting the special treatment.*

*The Kitchen Team at **Princess Christian Care Home** are among the finest Chefs in the care catering industry and their techniques are consistently admired by other care providers. Take a look at the wondrous foods to come out of the **Princess Christian** this Christmas."*
